

Town of Weldon
Employment Opportunities and Vacant Position Posting
Posting Date: June 18, 2021
Removal Date: When position is filled

WATER TREATMENT PLANT OPERATOR

Five Water Treatment Plant Operators staff the water plant 24 hours per day, 7 days per week, working rotating 12-hour shifts. Work includes calibrating and calculating chemical doses to maintain safe potable water; preparation of records of work activities; monitoring pH, chlorine, fluoride, alum, caustic and turbidity in the water in the laboratory; operation and maintenance of equipment, flocculation chambers and filters; and mechanical maintenance and repair of chemical pumps, switches, etc. Work requires a grade C surface treatment plant operator certification within 6 months of employment and some knowledge of mechanical maintenance, biology, and chemistry. Salary Grade 10.

Prospective applicants may secure, complete, and submit an application at the Weldon Town Hall, located at 109 Washington Avenue, P. O. Box 551, Weldon, NC 27890. Complete vacancy announcements and application can also be downloaded at www.historicweldonnc.com. Position will remain open until filled. Salary is determined within salary grade based upon the applicant's qualifications and experience.

It is the policy of the Town of Weldon to foster, maintain and promote equal employment opportunity. The Town shall select employees on the basis of the applicant's qualifications for the job and award them with respect to compensation and opportunity for training and advancement, including upgrading and promotion, without regard to age, sex, race, color, religion, national origin, disability, political affiliation, marital status, veteran status, or genetic information. Applicants with physical disabilities shall be given equal consideration with other applicants for positions in which their disabilities do not represent an unreasonable barrier to satisfactory performance of essential duties with or without reasonable accommodation.
